Dear Parents and Students:

We are proud to announce that Pinnacle is up and running for Middle School. Teachers are diligently entering grades. Please be sure to check Pinnacle frequently to keep an eye on your student's progress this year. Below are the instructions on how to login to Pinnacle. If you have any questions or concerns please feel to email Ms.Yunker at Arielle.Yunker@imagineschools.org. You will need your student's ID number which is the 06 number that can be found on any report card, ID badge, etc. If you do not know your student's ID number just email Ms.Yunker and she can get that information for you. Thank you all for your patience as we awaited the system getting up and running.

Step 1:

Go to the website: <https://gb.browardschools.com/pinnacle/gradebook>

- The goal is to get this linked onto our website so then you can access it from Imagine Broward's homepage

Step 2:

The username will be the students 06 number followed by @my.browardschools.com

Example: 06XXXXXXXX@my.browardschools.com

Step 3:

The student's password is their birthday with a capital P in front of it. So if the student was born January 1st, 2003 their password would be as follows:

Example: P01/01/2003

Be sure to include the slashes "/"

When in Pinnacle please ensure that a parent's e-mail is the primary email address linked to the account, as teachers will use that as a form of contact.

From there you can navigate through the classes. Again please do not hesitate to ask if you have any questions regarding Pinnacle.

Thank you!

Imagine's Middle School Team
