March 6, 2020

Dear Imagine Broward families:

In light of the recent Florida updates regarding the COVID-19 (Coronavirus), Imagine Broward continues to use proactive means to maintain a high level of cleanliness throughout our building. The safety, health, and well-being of all our students is our number one priority. I have been working with our Facilities Management to ensure that appropriate methods are in place. Additionally, we have received a new shipment of sanitizing sprays and wipes that we will be utilizing daily. I appreciate your support in keeping your child home from school activities when symptoms are present. Please remember that all students should remain home until they are fever-free without medication for 24 hours.

Fast Facts for Parents

What should I do if my child is exhibiting influenza symptoms?

Consult your pediatrician. A child who is sick with respiratory disease symptoms should stay home. At the present time, these symptoms are more likely due to influenza or other respiratory viruses than to COVID-19-related virus.

What is coronavirus disease 2019 (COVID-19)?

Coronavirus disease 2019 (COVID-19) is a respiratory illness that can spread from person to person. The virus that causes COVID-19 is a novel coronavirus that was first identified during an investigation into an outbreak in Wuhan, China.

Is there a vaccine?

There is currently no vaccine to protect against COVID-19. The best way to prevent infection is to avoid being exposed to the virus that causes COVID-19.

Is there a treatment?

There is no specific antiviral treatment for COVID-19. People with COVID-19 can seek medical care to help relieve symptoms.

What are the symptoms of COVID-19?

Patients with COVID-19 have had mild to severe respiratory illness with symptoms of • fever • cough • shortness of breath

I appreciate your continued support as we work to maintain our safe learning environment.

With sincere gratitude,

Debra Darling
