March 20, 2020

Greetings Imagine Broward Family,

We are hoping that you all are doing well during these uncertain and stressful times. Know that Imagine Broward is working diligently on plans to keep your child/children active, engaged, and learning while schools are adjusting to distance learning.

We know that right now, we are facing things that we never thought we would have to...teaching our kiddos at home! Don't fret, we are here to help.

Our first step in going digital is by asking all of you to set up a FREE Zoom account for your child/children. This can be done on any device, however, we highly recommend the use of a laptop to better access all the tools/resources that Zoom has to offer. There is a Zoom app for cellphones and tablets, which is an additional way to view teacher Zoom meetings. By setting up your child (children)'s Zoom account, they will be able to take part in online learning delivered by their teachers. They will be able to interact with their teachers and peers! Below are the steps on how to get started. If you have any questions, please reach out to your child's/children's teachers via: email, Class Dojo, Edmodo, etc.

How to sign up for a FREE Zoom account: Just click on the following link and join! <https://zoom.us/signup>

We will post to Class Dojo (Elementary) and Edmodo (Middle School) links to assignments and activities that your child/children can do from home and invites to Zoom meetings.

We are hopeful that we will be able to send out our Zoom Distance Learning Schedule by this Friday, March 20<sup>th</sup>. Distance Learning will begin on Monday, March 30<sup>th</sup>. Please remember to check our school's website, REMIND, parent update, Class Dojo (Elementary) and Edmodo (Middle School) to stay up-to-date with our Distance Learning.

Most importantly, during this time, we want our children, families and staff to stay and feel connected. We hope to see you back as soon as possible. I will be sending you emails to keep you updated. May you and your families be safe and healthy.

Sincerely,

Debra Darling

Principal, Imagine School at Broward
