Pro Pest Control Inc. will provide a Monthly interior pest control and perimeter insecticide treatment of all common grounds of Imagine School at Broward.

Pro-Pest Control, Inc. will be treating all bathrooms, hallways, storage rooms, all class rooms in school, offices, kitchen areas and AC units, entrance doors and elevator. We will also include insect monitoring traps of any concern areas and be placed out of reach children, which will help monitor the insects inside.

Includes an extra service to the kitchen area for insect treatment.

The perimeter treatment will put a barrier of insecticide around the structure to help keep the insects out. We will also treat the play ground area for fire ants, as well as all garage areas.

We will clean and rebait the rodent bait stations that are presently on the property.

Mud wasps and honey bees are included in this contract, as long as they are mild treatments. If there is a major infestation needed for honey bees there will be an extra charge.

Retreats will be included in this contract at no additional cost.
