July 21, 2020

Greetings Imagine School at Broward Parents/Guardians:

This correspondence is to inform you that Broward County, Florida is still in phase 1 of Covid-19 and therefore The School Board of Broward County, Florida most certainly will be going to Distance Learning at the start of the 2020-21 school year. Since we are taking the lead of the district, we will also start the school year with full Distance Learning.

The School Board has not officially voted for this, so if they change to a different model (such as face-to-face or a blended model) we will pivot as well. We understand that this decision will not please everyone but the health, safety and welfare of our teachers and students was paramount in making this difficult decision.

Please know that if and when the county moves into Phase 2, we will reassess our plan and move into either a Blended model or a full bricks and mortar approach.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads 'Debra Darling'.

Debra Darling - Principal
