Eating Environment

- Students will be provided an adequate amount of time to consume their meal with a minimum of 20 minutes after receiving their food from the line.
- Access to facilities for hand washing and oral hygiene will be available during meal periods.

General Guidelines

- All reimbursable meals will meet nutrition standards mandated by USDA, as well as any additional state nutrition standards that go beyond USDA requirements.
- School meals will include a variety of nutrient-dense foods, including whole grains and fiber-rich fruits and vegetables, while accommodating special dietary needs and ethnic and cultural food preferences.
- To the maximum extent possible, Imagine School at Broward will participate in available federal school meal programs, including the SBP, NSLP, ASSP, AMP, and SFSP.
- Free, potable water will be made available to all children during each meal service.

Competitive Foods

- All foods and beverages sold on the school campus to students outside of reimbursable school meals are considered “competitive foods,” and must comply with the nutrition standards for competitive food as defined and required in 7 CFR 210.11.
 - o School campus means, for the purpose of competitive food standards implementation, all areas of the property under the jurisdiction of the school that are accessible to students during the school day.*
 - o School day means, for the purpose of competitive food standards implementation, the period from the midnight before, to 30 minutes after the end of the official school day.*
- Competitive foods include items sold a la carte in the cafeteria, from vending machines, school stores, snack bars and for in-school fundraisers.
- Unless being sold by Imagine School at Broward food service program, it is impermissible for any competitive food item sold to students during the school day to consist of ready-to-eat combination foods of meat or meat alternate and grain products, as defined in 7 CFR 210.10 and 210.11. (FAC 5P-2.002)
- To be allowable, all competitive food items sold to students must meet general nutrition requirements and nutrient standards.

General nutrition requirements for competitive foods:

- Be a grain product that contains 50 percent or more whole grains by weight or have a whole grain as the first ingredient; or
- Have as the first ingredient one of the non-grain major food groups: fruits, vegetables, dairy or protein foods (meat, beans, poultry, seafood, eggs, nuts, seeds, etc.); or
- Be a combination food that contains 1/4 cup of fruit and/or vegetable.
- If water is the first ingredient, the second ingredient must be one of the above.
